

Beauty and Glory of Southern Urals, catalog of a 2008 exhibition of the best artwork of Southern Urals art factories, exceptionally rate, only 30 copies printed.

Measures approx. 9 ½" x 8 ¼", 162 pp. Printed on heavy-stock semi-gloss coated paper. The catalog is comprised of 5 sections representing the exhibited works of 5 artwork factories showcasing their best works in cast iron, engraving on steel, porcelain, carpets and tapestries. Each section is preceded by a foreword essay acquainting the viewer with the history and details of each factory.

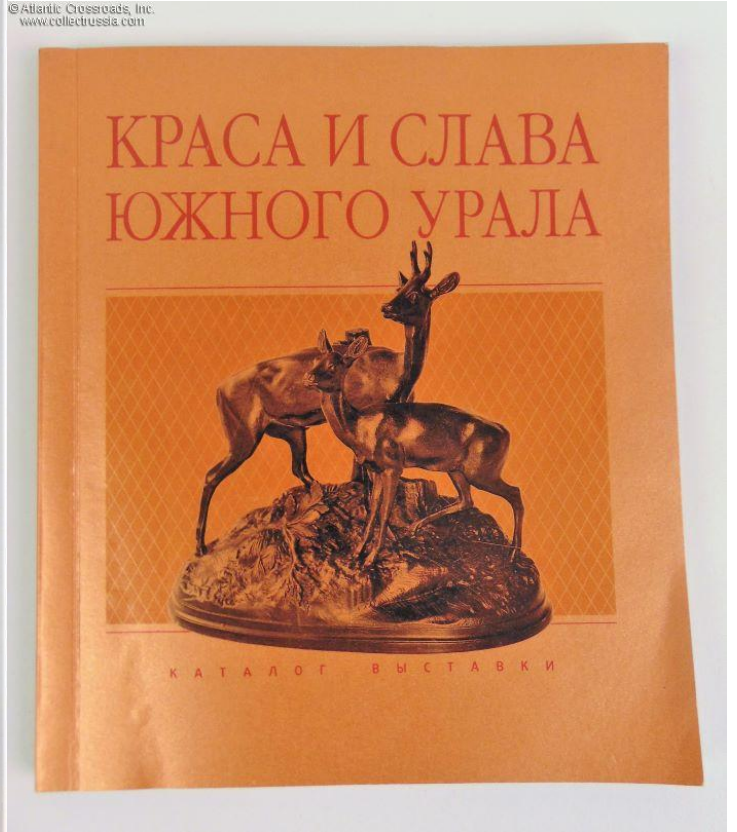

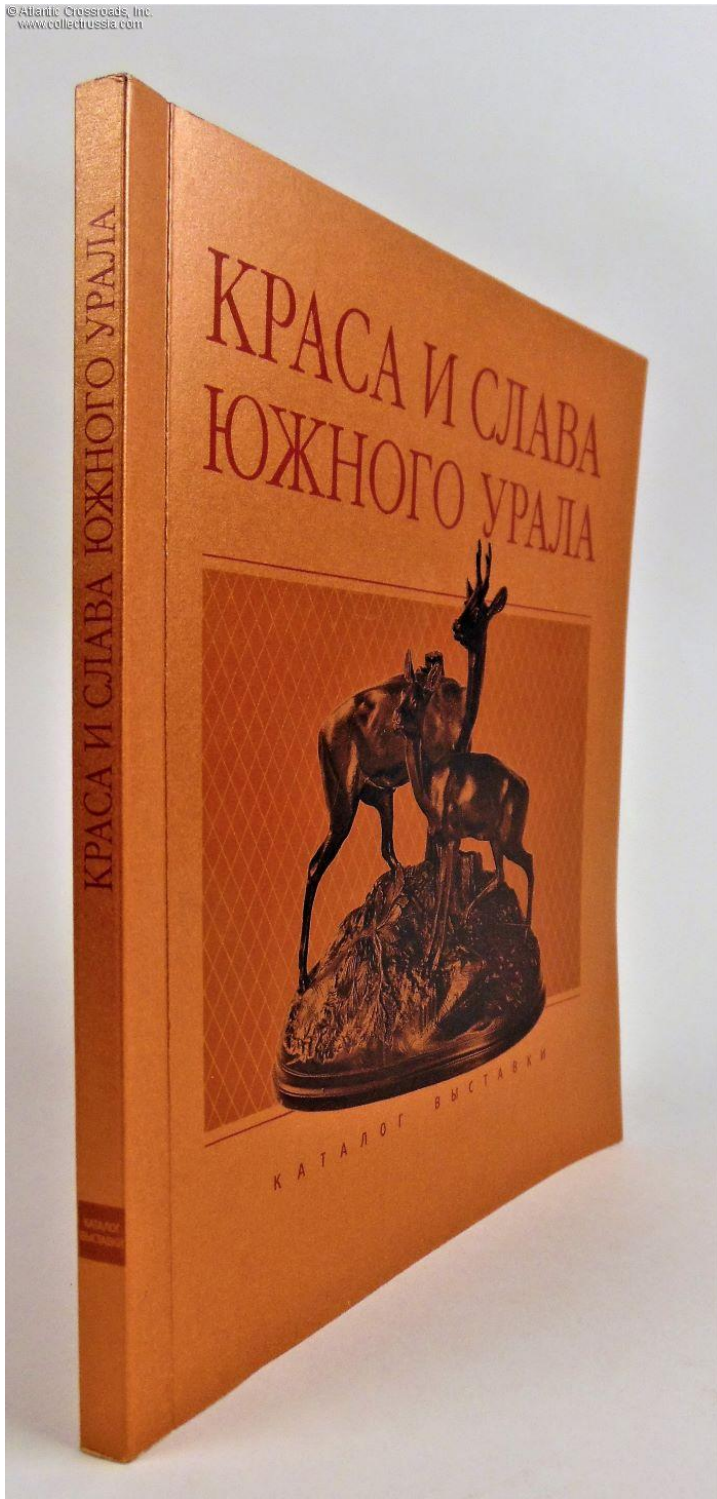

In superb condition. The cover shows minuscule shelf wear, absolutely not detractive. There are no corner bumps, scratches, scuffing or soiling of any kind on the cover or on the internal pages. The binding is perfectly tight.

All of the illustrated exhibits are very beautiful; most of them - stunningly so. This catalog will reward its owner with hours of viewing enjoyment and - did we mention there were only 30 copies of it printed?

Please note that the pen in our photo is for size reference.
