

Supreme Soviet of Moldavian SSR membership badge, pin back, 10th Convocation, #88, 1980.

Silver gilt, enamels; measures 30.3 mm in width, 26.2 mm in height at the flagpole; weighs 11.1 g.

The reverse shows raised Moscow mint mark "MMD" with a "flat top" D and engraved serial number 88 followed by a Roman numeral X. The latter indicates that the badge was issued to a member of the 10th Convocation of the Supreme Soviet of Moldavia which took place in 1980 and had 380 members each of whom was issued one pin back and one screw back badge.

In excellent condition. The enamel has only a couple of tiny contact marks nearly unnoticeable without magnification, no flaking, rubbing or other significant wear. Shows very attractive luster. The gilt is well preserved. The pin attachment is fully functional.
