

Voroshilov Horseman Badge, HIGH-QUALITY REPRODUCTION.

In stamped brass and "hot-baked" enamels; approx. 40.5 mm tall x 41 mm wide. The enamel is a close match to the original in both quality and color. This is a superb copy through and through, with realistically looking details and nice "aged" finish to the brass. A very nice substitute for a scarce 1930's original that can be quite expensive, especially in decent condition.
