

Breast Badge of a Public Inspector for Protecting Nature (i.

e., Animals and Plants), 1970s-80s issue.

Anodized aluminum and paint; measures 64 mm in height, 41 mm in width. The top features the emblem of the RSFSR (Russian Soviet Federative Socialist Republic) Chapter of the Soviet Society for Environmental Protection. The mid portion has large inscription "Public Inspector for Protecting Nature." The reverse has the raised logo of a Soviet manufacturer.

The badge is in excellent condition. The original paint is perfectly preserved, free of scuffs, noticeable scratches, or any other significant wear. The pin attachment is fully functional.

Please note, the penny in our photo is for size reference.
