

Excellent Soviet Army Serviceman Badge (for enlisted men), 1960s.

In brass and enamels; 40.1 x 29.9 mm. This relatively early badge is of far better quality than the later issues in aluminum and paint.

In excellent condition. The enamel has only some tiny contact marks and minimal amount of rubbing but no significant flaking or chips. Attractive even patina to the brass, no significant blemishes or oxidation spots.

Item# 40713
