

Ready for PVKhO badge, 1st Level, Type 1, 1935-1939.

In magnetic steel with bronze and silver plating, enamels. The medallion is 31.4 mm tall, 29.9 mm wide (not including the projections for chain attachment). Weighs 8.1 g with suspension, not including the screw plate.

In excellent condition. The enamel shows beautiful luster and is essentially perfect; there are just a few microscopic contact marks completely invisible without magnification. The raised details are extremely well preserved and crisp. The silver finish on the reverse is practically pristine. The suspension chains are original and complete. Comes with the original screw plate showing the manufacturer's logo "MOAKh L.A." and stamped serial number 822216. The screw post is full length, approx. 9.5 mm.
