

Medal for the Capture of Berlin, Variation 2, late 1940s .

In brass; 32.1 mm wide; weighs 17.4 not including the suspension and connecting link. In outstanding, excellent condition. The medal is completely free of noticeable wear. The details are perfect. The "gilt" mint luster is very well preserved and bright on both sides having only mild tarnish on the reverse that adds character - no significant blemishes or oxidation spots. Comes on original brass suspension with a well-preserved old ribbon.

Item# 41518

**\$75.00**
