

Postcard Happy New Year with space-themed artwork, 1962.

The size is continental 6" x 4". Unmailable without an envelope. Published by the Soviet Artist Publishers, circulation 3,000,000 copies. The logo of the publishing house is in the top left-hand corner on the verso. The artist's name, V. Talashchenko, is printed in the lower left-hand corner.

In the early 1960s, the space theme was, understandably, all the rage on the Soviet retail market, so the circulation of 3 million was probably not even very excessive.

The card is in excellent condition. The artwork is pristine, there is barely any age toning to the paper, no significant storage wear, very clean surfaces and microscopic edge and corner bumps. No other wear or damage visible to the naked eye.
