

## German Wooden Munitions Box, circa 1942-1943.

Large size, measuring 10" x 26 1/2" x 8". Well made box with two steel handles and steel hasps. Features "2cm" stenciled on one end. Possible vestiges of a Wehrmacht weight stencil on front. Illegible inscription in chalk inside of the lid.

Very good condition. Trim along back edge of lid is separating and could probably be fastened in place with wood glue or tacked down with a few small nails.
