

Honorary Certificate issued on 22 June 1939 to Raisa Kakabadze (რაისა კაკაბაძე), a schoolgirl in the 8th grade of a Russian high school in Tbilisi, capital of Soviet Georgia.

Single page 12" x 9 1/4", double-sided, with text in Russian on one side, in Georgian on the other. Issued to 8th grade student Raisa Kakabadze for excellent grades and exemplary behavior.

The certificate is unobtrusively but tastefully decorated. The wreath of oak leaves on top has a banner in the center with "GSSR People's Commissariat of Education" on it. Portraits of Lenin and young Stalin preside over the text of the certificate, with the state emblem of Georgian SSR between them.

In very good condition. The paper shows faint traces of old wrinkles which are now mostly flattened out. The top and right-hand edges are a bit frayed, showing a few short rips from improper storage. However, there is no loss of paper and no significant soiling or discoloration. All the graphics and text, typographical and handwritten alike, are perfectly crisp and clear.

Please note that the pen in our photo is for size reference.
