

Miniature Lapel Pin with a Photographic Portrait of Stalin, circa late-1930s.

Measures 17.3 mm wide, smaller than most pins of its kind. Celluloid center is encased in a nickel-plated steel frame with screw back attachment.

In excellent condition. The surface is free of scuffs or other wear; the image is perfectly clear and sharp. The frame and screw post are likewise perfect. The screw plate appears to be of the period and may be original to the badge.
