

Badge in Commemoration of the 300th Anniversary of the Reunification of Russia and Ukraine, Ukrainian version, 1954.

Gilded brass, enamels; 39.4 x 28.4 mm. Features inscription in Ukrainian language. The reverse has smoother, less detailed counter-relief compared with the more common "Russian" version and shows the mint mark "MMD" (Moscow Mint).

In excellent condition. The enamel is perfect, completely free of the usual hairline cracks or flaking. The gold plating is bright on the obverse and shows an attractive mild patina on the reverse.
