

Photo ID issued to A. Lenovsky, member of the Frunze District of Workers' Deputies of Alma-Ata, Kazakh SSR, 2nd convocation, 1948.

In booklet format measuring 4" x 3"; beveled hard cover wrapped in nice quality red leatherette. The front cover features the emblem of Kazakh SSR and the lettering in Kazakh and Russian, reading "District Council of Workers' Deputies." Inside, the printed text states in both Kazakh and Russian that A. Lenovsky has been elected as a deputy to the Frunze District Council of Workers' Deputies of the city of Alma-Ata, second convocation.

In excellent condition, showing only minor wear to the cover. The gold-colored paint on the front cover has lost part of its luster but is still present. Inside, the printed text, handwritten entries, signatures, and seal are clear and legible. The ID photo is in sharp focus. Tilting it to reflect a bright light reveals two scuffs, away from the face and not detractive.

Please note that the penny in our photo is for size reference.
