

Portrait of Felix Dzerzhinsky, Marquetry Inlay in Solid Wood, circa 1970s-80s.

Large format measuring 17 1/2" x 21 1/4" x 3/4". In marquetry inlay on solid hardwood panel. The obverse is finished with high-gloss lacquer; the reverse is also finished with lacquer which prevented the board from warping. A hole is drilled on the reverse for mounting the panel on a wall.

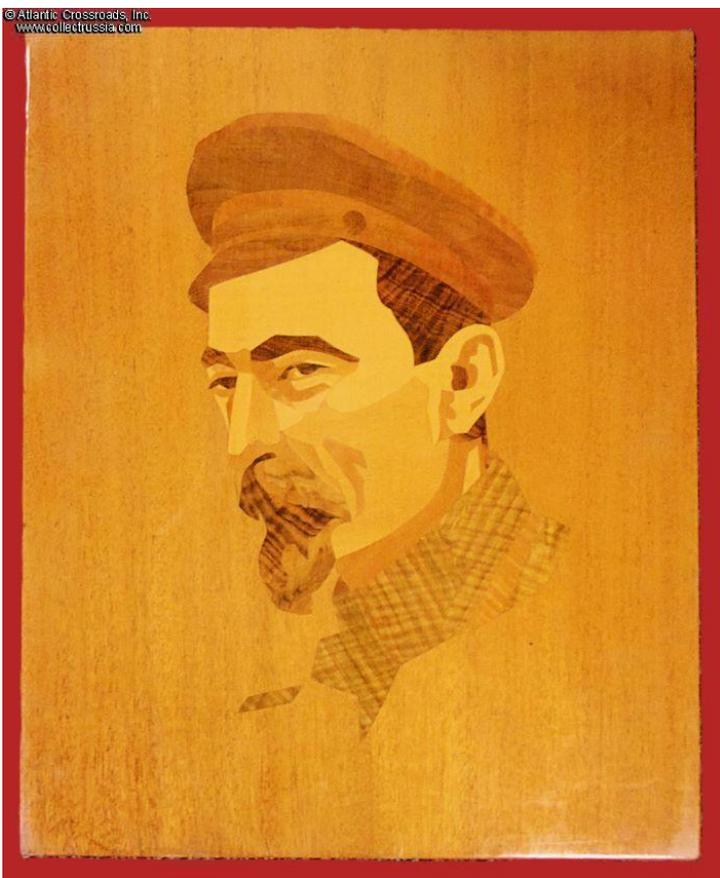

In very good to excellent condition. Tilting the panel to reflect a bright light reveals a few scuffs to the lacquer finish but they are practically invisible at a normal viewing angle.

This artwork will make an outstanding large high-quality artful backdrop for a Soviet NKVD law enforcement collection, juxtaposing the elegance of the artwork with the terror the Iron Felix inflicted on the people of Soviet Russia.

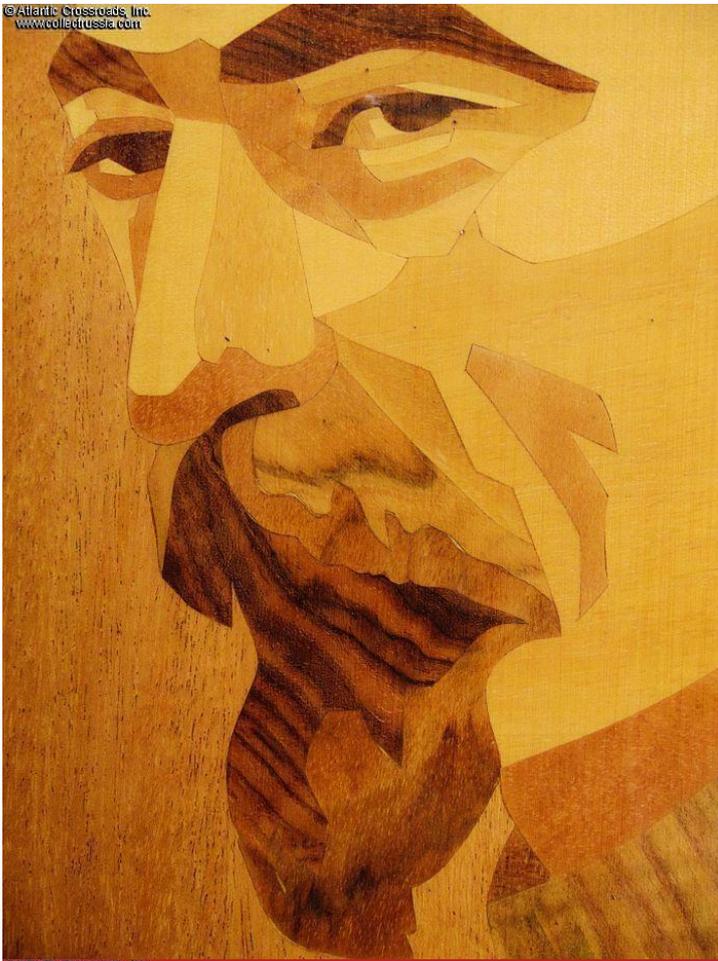

Please note that the 1-ft. ruler in our photo is for size reference.
