

Badge in Commemoration of the 40th Anniversary of the October Revolution, 1957 issue.

Silver-plated brass, enamel. Measures 30.5 mm tall x 28.6 mm wide. Shows an armed worker, peasant and sailor standing in line, with a red banner above their heads carrying a slogan "All Power to the Soviets!" Mint marked "MMD" (Moscow Mint) in raised letters on the reverse. Pin back attachment.

In outstanding, excellent condition. The enamel is perfect and shows a magnificent luster. The silver finish is practically pristine, having only a barely noticeable wear to a few raised points and creating a very realistic impression that the badge is made in solid silver. The pin is fully functional. This is one of the best examples of the badge we have seen in the past few years.

Please note that the penny in our photo is for size reference.
