

Breast Badge of a Coach at the 1978 International Firefighting Competition of Socialist Countries in Riga, Latvian SSR.

Anodized aluminum, "cold" enamels; measures 62.6 mm in height (nearly 2.5") x 52.5 mm in width. A very large and impressive piece. Excellent condition. The irregular finish on the reverse is a manufacturing imperfection, not a result of wear.

Please note, the penny in our photo is for size reference.
