

Badge of a Foremost Agricultural Worker of the Harju Region, Estonian SSR, circa 1970s-80s.

In gilded brass and enamels; measures 27.8 mm wide. Two-piece construction: the center medallion with inscription "Harju" is a separate superimposed part. Variation with a red enamel along the border. The badge is of superb quality.

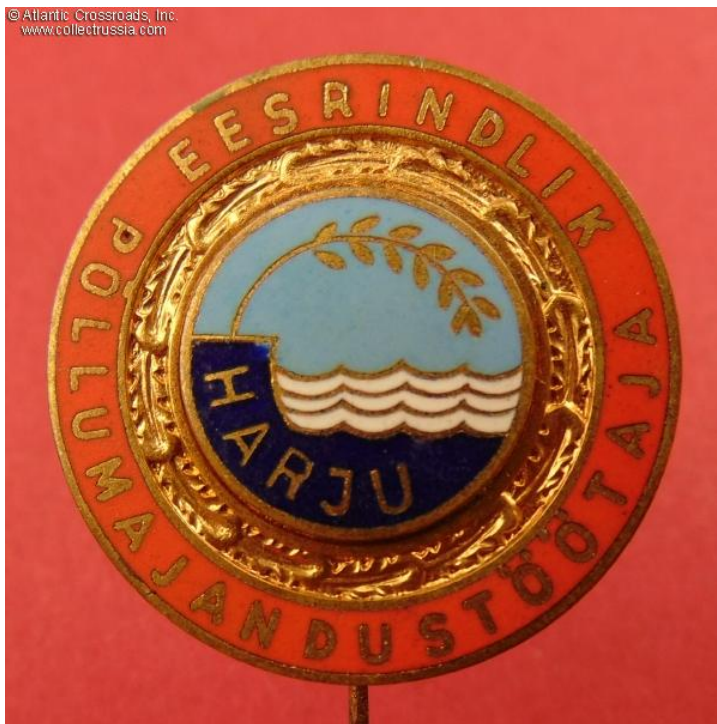

Excellent condition. The enamel and gilt finish are perfect. The pin attachment is intact.

Please note, the penny in our photo is for size reference.
